

# Pulmonary Medicine Opportunity in Marin County

At MarinHealth, we empower our providers to practice medicine the way it was meant to be – putting patients first. We bring a culture of collaboration with resources, support, technology, and state-of-the-art facilities that enable our physicians to remain focused on caring for people. We are an integrated healthcare enterprise made up of MarinHealth Medical Center and MarinHealth Medical Network. This collaboration has created an integrated, comprehensive healthcare resource all under the banner of MarinHealth. Physicians and providers work in partnership through a single electronic medical record that facilitates the coordination of care and fosters excellent communication between providers about their patients. Our strategic alliance with UCSF provides advanced care and special programs in the MarinHealth Medical Center, and all of the MarinHealth Medical Network clinics and providers are also part of UCSF Health.

## A Career with Flexibility

- Full-time positions (36 patient contact hours per week)
- Part-time positions considered
- Employment through Prima Medical Group

## The Position

- Join a well-established, highly regarded pulmonary practice in beautiful Marin.
- Collegial environment serving the communities of Greenbrae and Novato.
- Competitive guaranteed salary for 2 years with move to productivity in year 3.
- Comprehensive benefits package, including medical, dental, and vision insurance, Long Term Disability (LTD), and basic life insurance, with a voluntary life insurance option, EAP, and a retirement plan with employer match.
- Incentives available include a signing bonus, relocation, housing assistance, educational loan repayment assistance, and final-year residency stipend.

- Epic electronic health record utilized.
- Hospitalist Program in place at MarinHealth Medical Center.
- Highly desirable, family-friendly communities.

## Qualifications for this Position

- M.D. or D.O.
- Completion of Pulmonary Medicine or Interventional Pulmonary Medicine Fellowship preferred. Sleep Medicine is a plus.
- ABOS board certification or eligibility (with intent to become certified within one year) is required.
- The ideal candidate will have excellent communication skills and be able to develop strong relationships with patients, as well as sensitivity to cultural and linguistic differences.
- Licensed or eligible for licensure in California.
- Practice evidence-based medicine and possess a strong philosophy of excellence in patient care and excellence in the overall patient experience.
- Spanish-speaking a plus, but not required.

## Compensation

The salary range for this position is \$350,000 - \$500,000. The final determination of starting pay may vary based on factors such as practice experiences and patient care schedules. Additional pay may be determined for candidates that exceed specific qualifications and requirements.

## MarinHealth | UCSF Health Pulmonary Medicine

We are looking for a fantastic pulmonologist to join us for both succession planning and growth in our highly respected pulmonary practice. Our exceptional pulmonologists treat a wide range of conditions including shortness of breath, chronic cough, asthma, COPD, emphysema, lung cancer, pleurisy, blood vessel disorders in the lungs, and obstructive sleep apnea. Our clinic is located in Larkspur with a comprehensive PF Lab located at our medical center. This opportunity is open to physicians who wish to practice outpatient Pulmonary Medicine, with the possibility of Interventional Pulmonology or Sleep Medicine. There are additional opportunities for critical care shifts.

## The North Bay: The Perfect Place To Live And Work

More than just a place, the North Bay is a state of mind. One that lives in all of us who love the land — and the lifestyle — available right out the front door. As often as we can, we walk, run, hike, bike, swim, or paddle, taking in the natural beauty of all that surrounds us. And somewhere between the beaches, the bay, Mt. Tamalpais, and the redwood forests, we find balance, energy, and inspiration. Put simply, the North Bay is transformative and healing. It's a beautiful place you can call home. You can choose to live in San Francisco, Marin, or Sonoma County.
